Campaign Success:

Mount Kailash road cancelled

Dear Urgent Campaign Scheme Member,

Following on from last week's Urgent Campaign renewal, I write to inform you of [...] campaign successes.

Mount Kailash Campaign: Following international pressure, sources in China informed us that the planned road around Mount Kailash will not go ahead! Congratulations to all those who took part in the Urgent Campaign that called on the Chinese authorities to stop any development in this area given its cultural and environmental significance. The campaign to get Mount Kailash declared a World Heritage site will continue in order to try and afford the area some protection against any such future development plans.
